APPLICATION

6950-67195

Honorable James H. Welsh
Commissioner of Conservation
Louisiana Office of Conservation
P. O. Box 94275
Baton Rouge, LA 70804-4275

Re: AA Sand, Reservoir C
South Chauvin Field
Terrebonne Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **BLUE MOON EXPLORATION COMPANY** for the calling of a public hearing, after thirty (30) days legal notice, to consider evidence relative to the issuance of Orders pertaining to the following matters related to the **AA Sand, Reservoir C**, in the **South Chauvin Field**, Terrebonne, Parish, Louisiana, to-wit:

1. To establish rules and regulations and create a single drilling and production unit for the exploration for and production of gas and condensate, such unit to be designated AA RC SUA;
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit, with each tract sharing in unit production on a surface acreage basis of participation;
3. To provide that any future wells drilled to the AA Sand, Reservoir C, should be located in accordance with spacing provisions of Statewide Order No. 29-E;

4. To provide that the Commissioner of Conservation should be authorized to reclassify the AA Sand, Reservoir C, by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation; and
5. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The AA Sand, in the South Chauvin Field, Terrebonne Parish, Louisiana, was fully defined in Office of Conservation Order No. 547-K, effective May 26, 1970.

The pre-application conference tentatively scheduled for June 21, 2007, **WILL NOT BE HELD**, as it was not requested within the delays provided for by the Rules of Procedure; therefore, no opposition to this Application at the hearing is anticipated.

Pertinent data relating to the proposed application can be obtained, **AT THE COST OF THE REQUESTING PARTY**, by contacting Holmes Smart, 200 Audubon Blvd., Lafayette, Louisiana, 70503, (337) 232-4031.

There is attached hereto and made a part hereof a plat outlining the proposed unit and a list of the names and addresses of the interested parties to whom this unitization proposal is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished **ONLY** to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed herein is our check in the amount of \$755.00 made payable to the Office of Conservation in payment of the required hearing application fee.

Very truly yours,

RANDALL C. SONGEY
